## Tampere – Confidentially yours

**The Finnish Association for Rubber Technology invites all rubber professionals to Tampere, Finland, for the Nordic Rubber Conference, NRC 2010, in June 10–11, 2010.**

The conference will be held at the Scandic Hotel Rosendahl. The hotel has a beautiful setting by a lake in the midst of a big park – and just 10 minutes' drive from downtown Tampere. The Hotel has all facilities necessary to provide a comfortable and successful stay.

## 1st ANNOUNCEMENT AND CALL FOR PAPERS

*Come and meet the leading experts and professionals of the rubber industry. Come and hear the latest trends in research.*

*The conference will be opened at noon on Thursday and will close at lunchtime on Friday. About 25 presentations will be given by experts from all around Europe in two parallel sessions.*

You can now send your proposal for presentation. Send a short abstract (max. one A4 page) by 30 November 2009 to Aino-Riitta Joutsen by e-mail [aino-riitta.joutsen@yrityssastamala.fi](mailto:aino-riitta.joutsen@yrityssastamala.fi). Conference language is English.

The main theme of the NRC 2010 is: **RUBBER IN FUTURE**

**MATERIAL INNOVATIONS**

**PROCESSING AUTOMATION**

**ENVIRONMENT**

**BIO MATERIALS**

**TYRE TECHNOLOGY**

**SIMULATION**

**GLOBAL SOURCING**

**RECYCLING**
